

California State University | Stanislaus

**Reapprove - Resolution in support of the Student Recreation Complex (SRC)
gaining oversight of the intramural program from Associated Students,
Incorporated**

- WHEREAS,** The purpose of the intramural program is to foster an environment that encourages participation while maintaining the spirit and fairness of competition. Services are to be accessible to all eligible persons regardless of their sex, gender, spiritual/religious beliefs, race, ethnicity, nationality, or sexual orientation; and
- WHEREAS,** The nature of the intramural program is more closely related with services offered by the SRC than those in ASI. Transitioning the intramural program from ASI to the SRC, would allow the program to become part of the department that operates the facilities which are currently being used by the program; and
- WHEREAS,** The SRC has a closer relationship with the National Intramural-Recreational Sports Association (NIRSA) the leader in collegiate recreation, than ASI, which will aid the intramural program in staying as up to date as possible; and
- WHEREAS,** This is a move that has many benefits but needs to be done judiciously and thoughtfully to ensure the strength of the intramural program, ASI, and the SRC; and therefore be it,
- RESOLVED,** ASI will contribute \$25,000 for Spring 2014 and \$50,000 for 2014-2015 academic year from their annual operating budget,
- RESOLVED,** SRC shall not increase the intramural participation fee higher than \$15.00 per player per sport while receiving funds from ASI,
- RESOLVED,** ASI will no longer oversee the implementation of the intramural program and the SRC will attain full responsibility and oversight over the program; be it further,
- RESOLVED,** This transition includes ownership/oversight of: the sporting program, equipment, control of the IM Leagues website, full-time staff, student assistant staff, program funding responsibility and program generated revenue; be it finally,
- RESOLVED,** The remaining operational cost is under the sole responsibility of the SRC and ASI will in no way be responsible for any risk incurred by the intramural program.

PASSED AND ADOPTED by the Board of Directors of the Associated Students, Inc., at a regularly held meeting on November 26, 2013 and August 11, 2015.
